

Life Celebration's at The Pier Geelong

The Pier Geelong welcomes both wakes and the celebration of life service which can be arranged in conjunction with your funeral home. Our venue caters for both small and larger gatherings and offers an incredible view of the calming waters of Geelong's Bay which would be a serene place for such a gathering. We will help you with any requirement for audio visual equipment, floral tributes and anything else you may need – as well as the menu planning for your guests.

Our friendly and professional event specialists will ensure your loved one's life celebration is exactly how you imagined it to be.

We would like to answer any further questions you may have about holding a wake and life celebration in memory of your loved one at The Pier Geelong.
